Dear Colleagues,

Medical Laboratory Professionals Week (Lab Week) will take place from April 19–25, 2026. Lab Week is an annual celebration of medical laboratory professionals and pathologists who play a vital role in healthcare and patient advocacy.

This year's Lab Week theme celebrates the classic Pixar movie *Toy Story*: **Lab Story: To Infinity and Beyond for our Patients!** ASCP members strive to go above and beyond for our patients every day, and this year's theme celebrates that. I encourage all of you to join with your colleagues to raise the visibility of our profession and the work that we do daily on behalf of patients. Lab Week provides the opportunity to let the public know about your amazing contributions to improving patient care.

As 2026 gets under way, gather your laboratory team and brainstorm your entries for ASCP's annual Lab Week photo and video contest. This catalog offers a wealth of ideas to help your team creatively bring Lab Week to life across your community.

Please join me as we prepare to celebrate Lab Week 2026. Encourage your colleagues to get involved and help raise the visibility of medical laboratory scientists and pathologists. This is a wonderful opportunity for us to demonstrate our essential contribution to patient care and inspire the next generation to enter the field of laboratory medicine. Together, we can showcase the critical role you and your team play in healthcare around the world.

Best regards,  
Gregory G. Davis, MD, FASCP  
ASCP President
